CUNYfirst Training for Professional Advisors

Training leaders, Carlito Berlus and Ray Strom, are offering online resources and hands-on informational sessions for professional advisors. The hands-on training sessions will focus on the following aspects of CUNYfirst:

- Introduction to the "Advisor Center," this includes:
 - + viewing transcripts and schedules,
 - + adding and removing service indicators (stops),
 - + maintaining student groups, and
 - + searching for classes and course descriptions.
- Introduction to the "Student Summary View," a page that includes
 - + most of the info from the SIQ-SRI screen in SIMS
- Processing of "Class Permissions," this includes
 - + over-tallies, prerequisite overrides, etc.
- Changes in vocabulary and other CUNYfirst odds and ends
