CCNY / MathWorks Site License Software Availability

In preparation, please create a MathWorks Account (https://www.mathworks.com/accesslogin/index_new.jsp), using your CCNY E-mail address. You will need this to access the software, once your account has been associated to the CCNY Site License Account. This information can be provided by your Local System Administrators.

Faculty/Staff: If you are planning to teach a course, and would like your students to have access to the software, please provide your Local System Administrators the following information. A roster (First and Last Name) of students in your course, with only their CCNY/CUNY E-mail account (do not send SSN/Student ID).

Students: If you are currently enrolled on our campus, and would like to have access to the software, please stop by your department/division’s Local System Administrators. Please provide your current Bursar’s Receipt as proof of your current enrollment, and your Student ID card.

The following Local System Administrators in these departments/divisions were given access to the MathWorks MatLab Site Licensing Information. Please contact your respective department/division’s Local System Administrators to obtain information on how to access, download, and activate the software.
